York	1,242	14.4	12.0 - 16.8

Data Source: Maine Integrated Youth Health Survey.

Based on students who reported ever seriously considered attempting suicide the past 12 months

All percentages are weighted to be more representative of the population of Maine students and to adjust for non-response.

95% CI = 95% Confidence Interval.

** All racial categories are non-hispanic except for "Hispanic."

^ Results are not reported because weighted data are not available due to low response rates.
